To Mr. Jeffrey Haake and the Neighbors of the Red Fox Neighborhood,

Thank you so much for your generosity towards A.C. Reynolds High School. As we welcome our students and staff back into the building after a devastating storm, we find comfort in the support of our community. We appreciate you taking time to hold the drive for needed warm items including coats, blankets, and hand warmers, even as you recover from fallen trees in your own area. Hurricane Helene has caused so much damage and loss, but together we are Rocket Strong!

Thank you for supporting our Rockets!

Sincerely,

Benjamin Alexander, ED. S.
