

Red Fox Run POA Members,

Please be aware that we received notice today that trees leaning across Hooper Creek near 365 Hooper Creek Road, the residence of Kenneth Stott, will be cut tomorrow, Thursday, May 14, 2026.

Alison's Tree Service will be performing the work, and there will likely be bucket trucks and equipment partially blocking one side of the road during the process. The work area is believed to be somewhere near the upper hill by the driveway, although I am not certain of the exact location of the trees.

Please use caution if traveling through that area tomorrow and expect possible temporary delays.

Thank you.
