

Good afternoon, Red Fox Neighbors,

This is a friendly reminder about our upcoming Community Volunteer Work Day Sunday, July 12.

If you are available, we'd love to have your help with a few community improvement projects. We will meet at 8:00 a.m. at the back gate, where we'll divide into teams to:

- Move one speed bump
- Repair another speed bump
- Patch several potholes throughout the neighborhood

Whether you can stay for the entire morning or just lend a hand for a short time, your help will make a difference. Many hands make light work, and this is a great opportunity to help keep our roads in good condition while spending some time with your neighbors.

If you have work gloves, shovels, rakes, tampers, or other hand tools that may be helpful, please bring them along.

Thank you in advance to everyone who is able to volunteer. We appreciate your willingness to help make Red Fox an even better place to live, and we look forward to seeing you Sunday morning!

Have a great weekend!
